Thanks for the draft WHO remarks. I have a few suggested edits – see below. I have also been asked by the organizers again if I have a ppt, so can you develop a few ppt slides incorporating these remarks.

Suggested edits:

Ex. 5 Deliberative Process (DP)

Thanks again.

Jane, attached are your draft final remarks for the panel discussion in the high level session. I am happy to make any changes you may have prior to your departure. We have shared a copy with OAR as well.
